

PLAN NOW TO ATTEND THE

2010 Pacific Northwest Ground Water Expo

February 19-20 · Portland, Oregon

Join fellow groundwater industry professionals from Alaska, Idaho, Oregon, Washington, and surrounding states at the 2010 Pacific Northwest Ground Water Expo featuring:

- Educational workshops ranging from diagnosing and treating common well and water quality problems to DOT updates, fleet management practices, and driver qualifications
- The 2010 NGWREF McElhiney Lecture*, "You Drill a Hole—You Develop a Well," presented by Mike Mehmert
- Exhibits with rigs, machinery, and more
- Networking opportunities including a Wine and Cheese Get-Together sponsored by 2M Co. Inc.
- And the list goes on!

[Read more about the Pacific Northwest Expo and register on or before January 15 to save!](#)

*The McElhiney Lecture Series is underwritten by Franklin Electric Co.
